

Privacy Policy

Effective as of 12/6/2023.

This Privacy Policy describes how Soda Health, Inc. (“**Soda Health**,” “**we**,” “**us**” or “**our**”) handles personal information that we collect through our digital properties that link to this Privacy Policy, including our website (collectively, the “**Service**”).

Our website is designed for businesses and their representatives. Accordingly, we treat all personal information we collect as pertaining to individuals in their capacities as business representatives and not their individual capacities.

Personal information we collect

Information you provide to us. Personal information you may provide to us through the Service or otherwise includes:

- **Contact information**, such as your first and last name, email address, and phone number.
- **Organizational Information**, such as information about the organization you are associated with or information about your association with that organization, including the organization’s name, your professional title, the size of the organization and the markets in which the organization operates.
- **Communications that we exchange with you**, including when you contact us through the Service, social media, or otherwise.
- **Employment application information**, including your name, contact information, and any employment, education, or other information you include on your resume.
- **Marketing information**, such as your preferences for receiving our marketing communications and details about your engagement with them.
- **Other information not specifically listed here**, which we will use as described in this Privacy Policy or as otherwise disclosed at the time of collection.

Automatic data collection. We, our service providers, and our business partners may automatically log information about you, your computer or mobile device, and your interaction over time with the Service, our communications and other online services, such as:

- **Device data**, such as your computer’s or mobile device’s operating system type and version, manufacturer and model, browser type, screen resolution, RAM and disk size, CPU usage, device type (e.g., phone, tablet), IP address, unique

identifiers (including identifiers used for advertising purposes), language settings, mobile device carrier, radio/network information (e.g., Wi-Fi, LTE, 3G), and general location information such as city, state or geographic area.

- **Online activity data**, such as pages or screens you viewed, how long you spent on a page or screen, the website you visited before browsing to the Service, navigation paths between pages or screens, information about your activity on a page or screen, access times and duration of access, and whether you have opened our emails or clicked links within them.

Cookies and similar technologies. Some of the automatic collection described above may be facilitated by the following technologies:

- **Cookies**, which are small text files that websites store on user devices and that allow web servers to record users' web browsing activities and remember their submissions, preferences, and login status as they navigate a site. Cookies used on our sites include both "session cookies" that are deleted when a session ends, "persistent cookies" that remain longer, "first party" cookies that we place and "third party" cookies that our third-party business partners and service providers place.
- **Local storage technologies**, like HTML5, that provide cookie-equivalent functionality but can store larger amounts of data on your device outside of your browser in connection with specific applications.
- **Web beacons**, also known as pixel tags or clear GIFs, which are used to demonstrate that a webpage or email address was accessed or opened, or that certain content was viewed or clicked.

These technologies are used for the following purposes:

- **Technical operation.** To allow the technical operation of the Service.
- **Analytics.** To help us understand user activity on the Service, including which pages are most and least visited and how visitors move around the Service, as well as user interactions with our emails. For example, we may use Google Analytics for this purpose. You can learn more about Google Analytics and how to prevent the use of Google Analytics relating to your use of our sites here: <https://tools.google.com/dlpage/gaoptout?hl=en>.

How we use your personal information

We may use your personal information for the following purposes or as otherwise described at the time of collection:

Service delivery. We may use your personal information to:

- provide, operate and improve the Service and our business;
- communicate with you about the Service;
- understand your needs and interests, and personalize your experience with the Service and our communications; and
- provide support for the Service, and respond to your requests, questions and feedback.

Research and development. We may use your personal information for research and development purposes, including to analyze and improve the website, Service and our business. As part of these activities, we may create aggregated, de-identified or other anonymous data from personal information we collect. We make personal information into anonymous data by removing information that makes the data personally identifiable to you. We may use this anonymous data and share it with third parties for our lawful business purposes, including to analyze and improve the Service and promote our business.

Marketing. We and our service providers may collect and use your personal information for marketing purposes, including to send you direct marketing communications. You may opt-out of our marketing communications as described in the Opt-out of marketing section below.

To manage our recruiting and process employment applications. We may use personal information, such as information submitted to us in a job application, to facilitate our recruitment activities and process employment applications, such as by evaluating a job candidate for an employment activity, and monitoring recruitment statistics.

Compliance and protection. We may use your personal information to:

- comply with applicable laws, lawful requests, and legal process, such as to respond to subpoenas or requests from government authorities;
- protect our, your or others' rights, privacy, safety or property (including by making and defending legal claims);
- audit our internal processes for compliance with legal and contractual requirements or our internal policies;
- enforce the terms and conditions that govern the Service, and otherwise enforce our legal rights; and
- prevent, identify, investigate and deter fraudulent, harmful, unauthorized, unethical or illegal activity, including cyberattacks and identity theft.

With your consent. In some cases, we may specifically ask for your consent to collect, use or share your personal information, such as when required by law.

Cookies and similar technologies. We may use these for the purposes outlined in the “Cookies and similar technologies” section above.

How we share your personal information

We may share your personal information with the following parties and as otherwise described in this Privacy Policy or at the time of collection. We will not share any personal information collected through short code programs we operate with third parties for their marketing purposes.

Service providers. Third parties that provide services on our behalf or help us operate the Service or our business (such as hosting, information technology, customer support, email delivery, marketing, and website analytics).

Professional advisors. Professional advisors, such as lawyers, auditors, bankers and insurers, where necessary in the course of the professional services that they render to us.

Authorities and others. Law enforcement, government authorities, and private parties, as we believe in good faith to be necessary or appropriate for the compliance and protection purposes described above.

Business transferees. Acquirers and other relevant participants in business transactions (or negotiations of or due diligence for such transactions) involving a corporate divestiture, merger, consolidation, acquisition, reorganization, sale or other disposition of all or any portion of the business or assets of, or equity interests in, Soda Health (including, in connection with a bankruptcy or similar proceedings).

Your choices

Opt-out of marketing communications. You may opt-out of marketing-related emails by following the opt-out or unsubscribe instructions at the bottom of the email, or by [contacting us](#).

Do Not Track. Some Internet browsers may be configured to send “Do Not Track” signals to the online services that you visit. We currently do not respond to “Do Not Track” or similar signals. To find out more about “Do Not Track,” please visit <http://www.allaboutdnt.com>.

Declining to provide information. We need to collect personal information to provide certain services. If you do not provide the information we identify as required or mandatory, we may not be able to provide those services.

Other sites and services

The Service may contain links to websites, mobile applications, and other online services operated by third parties. In addition, our content may be integrated into web pages or other online services that are not associated with us. These links and integrations are not an endorsement of, or representation that we are affiliated with, any third party. We do not control websites, mobile applications or online services operated by third parties, and we are not responsible for their actions. We encourage you to read the privacy policies of the other websites, mobile applications and online services you use.

Security

We employ a number of technical, organizational and physical safeguards designed to protect the personal information we collect. However, security risk is inherent in all internet and information technologies and we cannot guarantee the security of your personal information.

International data transfer

We are headquartered in the United States and may use service providers that operate in other countries. Your personal information may be transferred to the United States or other locations where privacy laws may not be as protective as those in your state, province, or country.

Children

The Service is not intended for use by anyone under 18 years of age. If you are a parent or guardian of a child from whom you believe we have collected personal information in a manner prohibited by law, please [contact us](#). If we learn that we have collected personal information through the Service from a child without the consent of the child's parent or guardian as required by law, we will comply with applicable legal requirements to delete the information.

Changes to this Privacy Policy

We reserve the right to modify this Privacy Policy at any time. If we make material changes to this Privacy Policy, we will notify you by updating the date of this Privacy Policy and posting it on the Service or other appropriate means. Any modifications to this Privacy Policy will be effective upon our posting the modified version (or as otherwise indicated at the time of posting). In all cases, your use of the Service after

the effective date of any modified Privacy Policy indicates your acceptance of the modified Privacy Policy.
